5. On the day of burning, you must call the Wellfleet Fire Department between 9:30 AM and 11:00 AM at **508-349-0333** to reach an automated line which will tell you whether burning is allowed that day. **Calls for permission to burn must be made to this phone number only.** If burning is allowed that day, you will be prompted to leave a message with the permit holder's name, address and permit number.
